Chef Jacket Ordering Instructions

How to order:

Please call 312.726.2419 to purchase your chef's jacket. Please be prepared to provide us with your chest measurement in inches. Instructions are provided below.

How to measure:

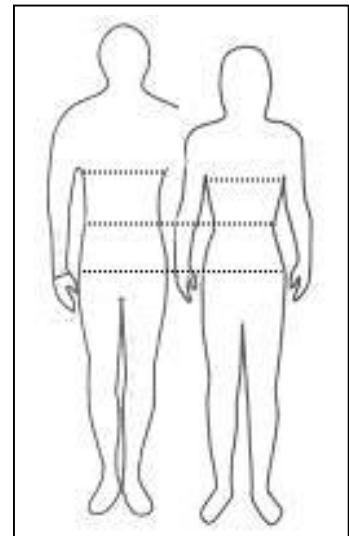

Keep tape measure level and avoid pulling tightly; do not hold your breath. Measure over any clothing you expect to wear under the garment.

Bust Measurement (For Women)

Take the bust measurement by measuring around the fullest part of the bust. The measuring tape should be kept straight across the back of the shoulder area. The tape should be tight, but not too tight. You should be able to fit one finger underneath the tape, but no more than that.

Chest Measurement (For Men)

With arms down, measure around the fullest part of the chest, under arms and across shoulder blades.

Should you have any questions, please do not hesitate to contact us at 312.726.2419 to discuss your sizing.
